EXPERIENCE

PUNJAB INFORMATION TECHNOLOGY BOARD (PITB) | WEB DEVELOPER INTERN

Jul 2024 – Dec 2024 | Lahore, Pakistan

- Developed responsive web applications with a focus on usability, performance, and cross-browser compatibility.
- Developed a weather forecasting application using **React.js** with real-time API integration.
- Built a full-stack **CRUD application** using **React.js**, **Node.js**, **Express.js**, and database integration.

XCATALYST SOFTWARE COMPANY | JUNIOR MERN STACK DEVELOPER

Jul 2025 – Present | Lahore, Pakistan

- Building and maintaining full-stack applications using the MERN stack (**MongoDB**, **Express.js**, **React**, **Node.js**), NestJS, and TypeScript.
- Developed cross-platform mobile applications for **Android and iOS** using React Native and Kotlin Multiplatform (KMP), with API integration and responsive UI implementation.
- Implementing **Unity-based low-poly 3D application and game environments**, including procedural road generation, traffic systems, level design, and 3D asset integration.
- Collaborating with the development team to implement new features, maintain existing systems, troubleshoot issues, and resolve bugs on Live & Internal Projects.
- Integrating **AI technologies** into modern applications and development workflows.

PROJECTS

SOCIAL MANAGER PRO | WEBSITE

- Built a Facebook post scheduling platform using the **Meta API**, with scheduling and analytics dashboard.
- Developed the full-stack application using **React.js**, **Node.js**, and **MongoDB**.

Z-MEDIA | FULL-STACK MOBILE APP

- Developed a social media application using **React Native** with JWT-based authentication and personalized feeds.
- Built REST APIs using **Node.js**, **Express.js**, and **MongoDB** for user and post management.

PORTFOLIO WEBSITE | PERSONAL PROJECT(WEBSITE)

- Designed and built portfolio using **React.js**, **Node.js**, **Express**, **MongoDB**, and **Tailwind CSS**.
- Optimized performance & responsiveness across devices.

E-KHIDMAT MARKAZ WEBSITE | UI PROJECT

- Built the **e-Khidmat UI** using latest technologies
- Delivered clean, responsive design with cross-device compatibility.
